

## Research Papers on Bioresources of Sikkim (Fauna)

Volume – III, No.3

### Contents

<u>Sl.No.</u>	<u>Topics &amp; Authors</u>	<u>Pg.No.</u>
1.	Bacterial Isolates from Pathological conditions of Laboratory rabbits in Sikkim <i>K.C. Mishra</i>	1-3
2.	Bacteria associated with human urinary tract infection in Gangtok town <i>K.C.Mishra</i>	4-9
3.	Breeding Bird community and their nesting characteristics in the Teesta valley of Sikkim <i>Bhojj Kumar Acharya &amp; Lalitha Vigyan</i>	10-17
4.	Chemical Composition of Milk and Meat of Yaks in Sikkim <i>S.B.Sinha, R.D Katiyar, V.C.Sehgal, P.N.Bhutia &amp; A.K. Sinha</i>	18-19
5.	Effect of Some health schedules on the growth rate and survival of Local goats of Sikkim <i>K.C. Mishra &amp; J.C Ghei</i>	20-25
6.	Enteropathogenicity of <i>Escherichia coli</i> strains from Livestocks Poultry and Man in Sikkim <i>K. C. Mishra</i>	26-27
7.	Estimation of genetic parameters for post-roaming body Weights in New Zealand white rabbits reared under agro climatic conditions of Sikkim <i>Bharat Bhusan &amp; S.P.S. Ahlawat</i>	28-30
8.	Goats can be the money spinners to Sikkim farmers <i>N. Balaraman &amp; K.Venugopal</i>	31-32
9.	Haematology and minerals content of Cornish birds reared in the mid hills of Sikkim <i>S.B. Sinha, R.K, Katirar &amp; R.N.Pal</i>	33-35
10.	Incidence of drug resistance in <i>Escherichia coli</i> strains in Sikkim <i>K.C. Mishra</i>	36-37

11.	Insect Pests of Large cardamom in Sikkim <i>V. S. Pangtey &amp; N.S. Azad Thakut</i>	38-40
12.	Livestock Feeding Practices in Sikkim <i>N. Balaraman</i>	41-42
13.	Local Goats of Sikkim <i>J.C Ghei &amp; K.C Mishra</i>	43-47
14.	Morphological features of foetal placenta in Sikkim local goats <i>K.C. Mishra, P.S. Sadhu and L.D. Dhingra</i>	48-50
15.	Note on some aphids affecting economically important plant in Sikkim <i>Basant. K. Agarwala &amp; (the late) D.N.Ray Chaudhuri</i>	51-52
16.	Nutritive value of amlisho ( <i>Thysanolaena agrostis</i> ) for goats <i>H.K.Gupta</i>	53-54
17.	Nutritive value of Mixed Jungle Grass for goats in Sikkim <i>N.Balaraman &amp; H.K.Gupta</i>	55-58
18.	Occurrence of gastrointestinal parasites in domestic yaks in Sikkim <i>H.Rahman, P.Pal, S. Bandyopadhyaya</i>	59-62
19.	Performance of goats on Nevaro Nandi grass based Saloipastoral in Sikkim Goats can be the money spinners to Sikkim farmers <i>N. Balaraman, K.A.Singh &amp; H.K Gupta</i>	63-68
20.	Scaly winged wonders of Sikkim <i>Bhoj Kumar Acharya, Karma Zimpa Bhutia, IFS, Sandeep Tambe, IFS and S. Anbalagan</i>	69-71
21.	Seasonal Incidence of parasitic infestation in a flock of Sikkim Local Goats. <i>K.C. Mishra</i>	72-76
22.	Sheep farming in Sikkim <i>R. M Acharya &amp; C.L.Arora</i>	77-79
23.	Sighting of King Cobra <i>Ophiophagus Hannah</i> in Sikkim, India a new altitude record for the northeast. <i>T.Bashir, K.Poudyal, T.Bhattacharya, S.Sathyakumar &amp; J.B. Subba</i>	80-81
24.	Indigenous knowledge of Lepcha community for monitoring and conservation of birds <i>Bhoj Kumar Acharya, Basundhara Chettri &amp; Lalitha Vijayan</i>	82-83
