

Bioinformatics Education Programme (BEP)

Organized by

Bioinformatics Sub-DISC, Sikkim State Council of Science & Technology, Department of Science & Technology and Climate Change, Government of Sikkim, Vigyan Bhawan, Deorali- 737 102, Gangtok, East Sikkim, with the support of Department of Biotechnology (DBT), Government of India, New Delhi.

Date: 22nd September 2015

Venue: Dentam Government Senior Secondary School, West Sikkim

FEEDBACK

(Your feedback is important for us to calibrate upon efficiency of Bioinformatics in the state)

Principal's Remarks/Compliments	Signature
Bio-informatics programme certainly helped our children now and also in future in a great extent. Thank you.	 Principal Govt. Senior Secondary School Dentam West Sikkim
Bioscience Teacher's Remarks/Compliment	Signature
In my opinion "Bioinformatics Education Programme," plays a vital role to all those bio-science students, in making them aware about the achievement and improvement which are taking place in the field of biology & bioinformatics.	
According to my opinion "Bioinformatics" play important role to know about genetic and it is the combination of computer and biology. I think it will give concrete idea of science as a whole.	

Students:

Sl. No.	Name	Remarks/Compliments	Signature
1	Asum Gurung	I understand the Bioinformatics matter to define or classify the plants and animals	
2	Gorkha Gurung	I understand by bioinformatics are important for human things for health.
